Cirque du Soleil
ECHO
 June 28 & Aug 9

OVERVIEW

FUTURE, the protagonist, invites you into a fantasy world where she meets animal and human characters. Driven by the spirit of collaboration, they join forces to rebuild their planet little by little and create a better world. Cirque du Soleil brings modern and surprising twists with ECHO, a story of connection, intention, and the bond between humans and the animal kingdom.

When FUTURE and her best friend Ewai stumble upon an enigmatic CUBE, they set in motion a journey of life, discovery, hope, and empathy, quickly learning how their actions have the power to shape this world.
