**TOUR OVERVIEW**

Immerse yourself in a world of 16,000 aquatic animals and discover your own underwater adventure. Ripley's Aquarium of Canada features North America's longest underwater viewing tunnel, more than 5.7 million litres of water and will have over 100 interactive opportunities including three touch pools featuring horseshoe crabs, sharks, and rays. This awe-inspiring attraction will consist of nine carefully curated galleries showcasing a cross section of saltwater and freshwater environments from around the world - starting with species from Toronto's backyard, the Great Lakes basin. Guests will view over 16,000 animals, including fan favourites such as sharks, jellies, rays, and green sea turtles.

The Toronto Medieval Times castle is located in beautiful Exhibition Place. This is your chance to step back in time to... Medieval Times! Experience what it's like to be taken back in time to enjoy all the adventures and romance of the Middle Ages while enjoying a royal feast. In this modern world, a place still exists where knights battle for their kingdom's honor. Enjoy lunch and a show in the magnificent setting that is Medieval Times. Watch valiant knights compete in their centuries old Tournament of Games. You can expect to see a remarkable display of horsemanship, sword fights, jousting matches and more!
