The Beatles #1 Hits
 Wednesday, July 29, 2026

TOUR OVERVIEW

What happens when the number one Beatles songs of all time are played note perfect by Canada's most sought after session musicians? What happens when you add 5 lead vocalists capable of representing the intricate vocals of the Beatles with incredible accuracy and tonal similarity? What happens when you add an orchestra to perform the strings and brass the way you heard on the records? What happens when you punctuate the live performance show with brilliant and spell-binding narrations on screen? To answer all those questions comes the show **ONES - The Beatles #1 Hits**. This show is a commitment to note perfect performances of the number one Beatles songs from the Ed Sullivan Show in 1964 to their break up in 1970. A cast of top musicians have paid attention to every detail, including 28 guitars and period correct amplifiers and drums that were used on the original Beatles recordings. This incredible music is framed by captivating multi-media narrations by Toronto radio legend Al Joynes.
