FALL CHAPERONE POLICY - CANADA'S WONDERLAND

Parents or guardians are responsible for the behavior of their minor children. Appropriate behavior and supervision are the responsibility of the parent/guardian and is always expected. All minors must be accompanied by an adult. As part of that commitment, we are implementing a chaperone policy beginning Friday, September 26, 2025.

Under this policy, **all guests ages 15 years old or younger must be accompanied by a chaperone who is at least 21 years old** to be admitted to or remain in the park. The policy will be in effect daily by 6:00 p.m. local time – Canada's Wonderland reserves the right to begin enforcing the Chaperone Policy earlier on any given day. The chaperone must present a valid government-issued photo identification with date of birth at the Security Entrance. One (1) chaperone may accompany no more than ten (10) guests ages 15 or younger per day. In addition, the chaperone must remain with their party during their visit and be available by phone throughout their stay. Guests 16 years of age or older may be asked to present a valid government issued photo identification (Driver's license, Provincial Issued ID Card, Passport) with date of birth at entry to verify their age. If unable to verify proof of age, guests may be denied entry into the park.

BAG POLICY

To support a safe environment for our guests and to help expedite entry during Haunt, Canada's Wonderland is implementing enhanced **bag restrictions after 6:00 PM** local time daily.

Bag Requirements: After 6:00 PM, all bags must be **no larger than 12" x 12" x 6"**, regardless of material (clear or opaque). Each guest is permitted to bring only one bag into the park after 6:00 PM. All bags are subject to thorough inspection prior to entry at any time. Oversized bags will not be permitted into the park after 6:00 PM.

Exceptions: Medically necessary items are permitted after proper inspection. Guests with special circumstances may speak with a security supervisor upon arrival for consideration on a case-by-case basis.

Additional Notes: This policy applies to all bag types, including backpacks, purses, diaper bags, and camera bags. Canada's Wonderland recommends guests minimize the number of items they bring to help streamline the entry process.
