OVERVIEW

With its collection of 22,000 plant species and cultivars, 10 exhibition green houses, some thirty thematic gardens, and teams of researchers and activities staff, the **Montréal Botanical Garden** ranks as one of the world's largest and most spectacular botanical gardens.

The word **Biodôme** comes from the Greek words bios, or life, and domos, house. An oasis in the heart of the city, the **Montréal Biodôme** recreates some of the most beautiful ecosystems of the Americas: the Tropical Forest, Laurentian Forest, St. Lawrence Marine Eco-system, and the Arctic and Antarctic.
