Goblin: Christmas Carol
Sun, Dec 13, 2026

TOUR OVERVIEW

A Spontaneous Theatre Production
The world's most notorious theatre-dabbling Goblins have tickets to see the 2026 Mirvish production of A Christmas Carol. When the evening's performance is unexpectedly jeopardized, the Goblins leap at the opportunity and onto the stage to save "Christmas" – whatever that is. From theatre innovators Rebecca Northan (Shaw Festival, Stratford Festival), Bruce Horak (Star Trek: Strange New Worlds), and Ellis Lalonde (Fraggle Rock), and Spontaneous Theatre (Goblin:Macbeth, Goblin:Oedipus, Murder-on-the-Lake, Blind Date) comes GOBLIN:CHRISTMAS CAROL, a version of the Dickens novel like no other! When a mystery is uncovered at the heart of Dickens' classic tale, the Goblins embark on an urgent quest to ferret out festive falsehoods, untangle Yuletide yarns, and expose a seasonal secret that's been hiding in plain sight since 1843.
