TOUR OVERVIEW

Deep in the heart of Atlantic Canada sits a small but proud harbour eager to keep its community together. With the sudden closing of their precious fish plant, this once bountiful village is looking for a miracle. When an opportunity arises to secure a state-of-the-art frozen french fry factory — and the many jobs it would create — the entire community is galvanized into action. There's just one major obstacle — to secure the factory, the harbour must have a full-time resident doctor. Realizing this might be their last chance to save their beloved home, the townspeople come together to spin the truth and put on a show to charm an interim doctor into moving there permanently. Tell Tale Harbour is packed with all the songs and laughs we expect from the best East Coast kitchen party. It is as relatable as it is ridiculous, as hilarious as it is heartfelt, and celebrates the people, the trials, and the triumphs of living in a small town on the edge of the mighty Atlantic Ocean.
